EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech., CSE (IoT,CS,BT)	Institute of Engineering & Management, Kolkata	9.5 / 10	2027
Senior Secondary (XII)	Ashok Hall Girls' Higher Secondary School	91.5%	2023
Secondary (X)	Loreto Convent Entally School	97.3%	2021

EXPERIENCE

ApexPlanet Software *Jul 2025 – Aug 2025*

Web Development Intern

- Developed responsive web interfaces using HTML, CSS, and JavaScript for client-facing applications
- Built and tested UI components ensuring cross-browser compatibility and mobile responsiveness

Code Alpha *Jun 2025 – Jul 2025*

Artificial Intelligence Intern

- Developed and evaluated supervised ML models for real-world problem statements
- Performed data preprocessing, feature engineering, and model performance analysis using Python

Mitti Café *Jun 2024 – Jul 2024*

Graphic Design Intern

- Designed digital creatives and promotional materials to enhance brand engagement
- Collaborated with the marketing team to produce visual content for social media campaigns

RESEARCH PUBLICATIONS

Combating Cognitive Decline in Type 2 Diabetes: A Predictive Framework Using SAMME-Based Ensembles and Explainable AI

Published at COMSYS 2026 International Conference | Conference Paper

- Proposed an ensemble-based predictive framework using AdaBoost (SAMME) on clinical and behavioural features
- Integrated Explainable AI techniques (SHAP & LIME) for model interpretability and transparency
- Focused on healthcare analytics and decision-support systems for cognitive decline prediction
- Achieved 97% classification accuracy on the evaluation dataset

PROJECTS

OCR-NLP Legal Statute Predictor [Ongoing]

Tools: Python, NLP, Scikit-learn, PyTorch, OCR

- Built an OCR-NLP based legal assistant for automatic statute classification from unstructured text
- Implemented text preprocessing pipeline including tokenization, stopword removal, and TF-IDF feature extraction
- Trained and evaluated supervised ML models using accuracy, precision, recall, and F1-score metrics

IoT-Based Water Quality Prediction at Ganga–Yamuna Confluence [Ongoing]

Tools: Python, PyTorch, NumPy, Pandas, Matplotlib, IoT Sensor Dataset

- Developed deep learning models for real-time water quality prediction using IoT sensor data
- Performed data preprocessing — missing value imputation, feature scaling, and exploratory data analysis
- Implementing and comparing ML and DL architectures; evaluating performance using RMSE, MSE, and accuracy metrics
- Applied model optimisation techniques and cross-validation for robust model generalisation

SKILLS

- **Programming Languages:** Python, Java, C, SQL
- **Machine Learning & AI:** Machine Learning, Deep Learning, Ensemble Learning, Boosting, Classification, Regression
- **Frameworks & Libraries:** TensorFlow, Keras, PyTorch, Pandas, NumPy, Matplotlib, SHAP, LIME
- **Data & Analytics Tools:** Power BI, Tableau, Github , Linux
- **Core Areas:** DSA, DBMS, Software Engineering, Computer Networks, Operating Systems, AI & ML

- **Others:** HTML, JavaScript, Cybersecurity, Data Analysis, IoT Systems

CERTIFICATIONS

- **IIT Delhi Alumni,** Data Analytics — Mar, 2026
- **Nestle** , E-Learning — Feb, 2026
- **Amazon Web Services (AWS),** Solutions Architecture Job Simulation — Feb, 2026
- **IISc Bengaluru,** Programming with Generative AI — Dec, 2025
- **IBM,** Introduction to Software Engineering — April, 2025
- **Google,** Foundations of Cybersecurity — April, 2025
- **Microsoft,** Foundations of AI and Machine Learning — May, 2025
- **IIT Madras,** Python for Data Science — Feb, 2024

ACHIEVEMENTS

- Secured **2nd Rank** for Academic Excellence (2025)
- Completed International Study Abroad Program in Cybersecurity and Data Analytics using AI — **AIT, Thailand (2025**)
- Published research at **COMSYS 2026** International Conference **achieving 97%** classification accuracy using SAMME-based ensemble and Explainable AI

POSITIONS OF RESPONSIBILITY

Tech Student Coordinator , Technical Events and Competitions, IEM Kolkata — Sep 2025-Mar 2026
Member, Student Gymkhana, IEM Kolkata — Jul 2024- Present
Member, Placement Committee – CSE (IoT, CS & BT), IEM Kolkata — Jul 2024- 2025
